Metaphor

For one, they have in common a narrative structure that, by locating the action firmly within a social context spanning generations, subscribes to the novelistic convention of rendering the story of individuals continuous with the larger movements of history. In his later years Lawrence developed the potentialities of the short novel form in *St Mawr*, *The Virgin and the Gypsy* and *The Escaped Cock*.

Analysis of D. H. Lawrence's Novels

He painted and made things, and sang, and rode. Later life and career In late February 1922 the Lawrences left Europe behind with the intention of migrating to the United States. *Snake*, one of his most frequently anthologised, displays some of his most frequent concerns; those of man's modern distance from nature and subtle hints at religious themes.

How to Read a Novel: 14 Steps (with Pictures)

Find the common bonds between function and form.

How to Read a Novel: 14 Steps (with Pictures)

I love the strange way he repeats things, the way he leaves you hanging, leaving it out there, so that you can wrap your mind around it and mold it yourself. Of particular note is his and.
