cabinet of barons : définition de cabinet of barons et synonymes de cabinet of barons (anglais)

Congress subsequently passed the bringing a formal end to hostilities between the United States and the. An estimated twenty million people, one-third of the population, saw at least one of these films every year.

The Church in Crisis: A History of the General Councils, 325

But even if it is admitted—although, as we have seen, there is a twofold reason for not making such an admission—that the suffragettes are justified in regarding politicians as the obstacles in the way of their demands, there still remains the question of the disadvantage of their method. The medicalization of politics pulled thousands of new professionals into state service as nurses, teachers, health-care administrators.
