UPDATE: Taiwan Legal Research

College entrance exam performance is still very crucial to determine whether a high school student would be able to be admitted to a desirable law

school program, especially that law is one of the most popular subjects and it is extremely competitive to enter into a top-rank law school in Taiwan. The Constitution in the vernacular Chinese can be found at the and the Both databases include not only just text of the Constitution and its amendments, but relevant legislative history materials including legislative records and historical versions of amendments and provisions of Constitutions. The Taiwan was first enacted on May 23, 1929 and has been amended a few times.
