## SEPTEMBER 1860

Thomas de Holland, Earl of Kent, who died anno 1397, was seised of a house and fifty acres of land in Fulham, held under the Bishop of London. Much beautiful painted glass was then broken; the inscriptions, figures, and coats of arms engraven upon brass, were torn from the ancient monuments; and the graves were ransacked.

In her hand she held a precious silver-gilt hunting-horn, filled with some liquid; which she offered to the count, in order that he might drink. Brown was opened and presented to the town while they were there.

## Fulham

The latter was not able to make resistance; fled to Caesar, who then lay in Gaul with the Roman army; besought and obtained his protection; and conducted him and his army into Britain, in order to be restored to his kingdom. Difficult manner of entering the organ loft. Emily joins me in dear love to you.

## Literature of theology and church history british theology fiche listing
