

# BioMEMS and smart nanostructures - 17-19 December 2001, Adelaide, Australia

## SPIE - Wikipedia talk:Collaborations

Description: -

-  
Short stories, Mexican -- Bibliography.  
Nanostructures -- Congresses.  
Microelectromechanical systems -- Congresses. BioMEMS and smart nanostructures - 17-19 December 2001, Adelaide, Australia

-  
v. 4590.  
Proceedings of SPIE--the International Society for Optical Engineering ;  
v. 4590  
SPIE proceedings series ; BioMEMS and smart nanostructures - 17-19 December 2001, Adelaide, Australia

Notes: Includes bibliographic references and index.  
This edition was published in 2001

Filesize: 34.110 MB

Tags: #BioMEMS #and #smart #nanostructures #: #17

## Wikipedia talk:Collaborations

I can't believe there aren't more people that are chiming in that there's already been significant discussion and consensus that templates like this should only go on talk pages. Whatever happens, I hope we can reach a decision, and that we can apply it for all the collaboration projects.

## Past Nanotechnology Events & Conferences

November 03 - 05, 2003 World Nano-Economic Congress WNEC. Again, 15 more volumes of the Encyclopedia of Nanoscience and Nanotechnology edited by Dr.

## BioMEMS and smart nanostructures : 17

University of Aalborg, Center for Nanobiotechnology, Aalborg, Denmark Aug 15, 2007 : Sculpture and novel properties of nanostructures and their assemblies for applications 100.

## Wikipedia talk:Collaborations

Layered molecular assemblies as interface isolators and adhesion enhancers for devices, P. Indiana Convention Center; Indianapolis, Indiana PITTCON 2002. While working at Hitachi Ltd.

## Hari Singh Nalwa (scientist)

That being the case, I don't think the tag is taking anything away from the article. Twelfth International Workshop on Physics of Semiconductor Devices, Chennai, India Dec 2003 : Use of self-assembled molecular layers for future devices 46. Featured in Virtual Journal of Nanoscale Sci.

## Encyclopedia of Nanoscience and Nanotechnology

New York City 5th Annual SMALL FUEL CELLS 2003 - Small Fuel Cells for Portable Power Applications. Welding, Slicing, and Doping, of Carbon Nanotubes with Ion Beams, M. ASME International Mechanical Engineering Congress, Boston , MA 2008 , Electro wetting on dielectric effect in nanofluids containing noble metal nanoparticles, C.

### **Past Nanotechnology Events & Conferences**

Ajayan, Nanotechnology 17, 2523-27 2006.
