Role & Status of Women in India: Issues & Challenges

Rural jobs have been decreasing and not enough rural women have been able to make the transition to working in urban areas. Make sure that these regulations about extra vacation days are explicitly stated in your employment contract.

Women in Indian Armed Forces

There has been over 4,000 years of philosophical and cultural development in India, going back to early Aryan civilization. Hence, the preference for a male child persists, quite often out of mere practical, financial concerns, because the parents might not be able to afford the marriage dowry for another daughter.

10 Inspiring Indian Women Who Became Role Models Of Empowerment

Bachendri Pal Bachendri Pal became the first Indian woman to reach the summit of Mount Everest In 1984. The outrage over Hathras is justified and necessary. Although the primary purpose of the trip was to get young girls signed up to get an education, the school officials for the district were only there getting photo ops with the young boys surrounding them.

Gender and Culture in India

For centuries, the Viennese had controlled the European branch of the , reaping enormous profits from the sale of silk, spices, fine china, and precious metals. In order to change the situation along with economic growth social progress is also greatly required.
