Zheng pleaded guilty to an information charging him with a conspiracy to launder money. We are not responsible for copyright content for any content. Zheng was therefore instrumental in each of the money laundering transactions — he received the cash from other conspirators and caused it to be transferred overseas in furtherance of the laundering process.

. According to documents filed in this case and statements made in Court: From November 2009 through February 2012, the defendants ran one of the largest counterfeit goods smuggling and distribution conspiracies ever charged by the Department of Justice.

Nine Members Of Largest Counterfeit Goods Conspiracy Ever Charged Admit Guilt

Some of the conspirators created and managed the flow of false shipping paperwork between China and the United States, and supervised the importation of counterfeit goods, and others controlled the importation of the counterfeit goods into the United States.
