The City, it seems, regarded Haywood's as the more important contribution; in 1853 Simon's salary was ú800 a year whilst Haywood's salary was increased to ú1,200 - a token of the City's growing regard for his sanitary work. Of these, 255 were due to the Hawke's Bay earthquake of 3 February 1931. My cat does just the same to me.

List of commissions and officials: 1860

Following an incident at Waitara in the Taranaki district, where a dispute arose concerning land titles, war broke out in 1860 and lasted spasmodically till 1870.

Full text of of the Library of the Institution of Civil Engineers

The introduction of European diseases and firearms, and the impact of European civilization on the traditional way of life and customs of the Maoris, had such an adverse effect that their numbers must have been reduced by over half during the nineteenth century. Weather reports for use in forecasting are made at about 110 places within New Zealand and 50 in Pacific Islands and collected by telegraph and radio, along with measurements of winds at upper levels made at seven radar wind-measuring stations and of temperatures made at seven radiosonde stations. Bearbeitet vom Statistischen Department in K.
