## Herero and Namaqua genocide

And there will be neither rest nor tranquility in America until the Negro is granted his citizenship rights. Astronomers were startled by the discoveries which arose from determining radial velocities; I hope the surprises will be no less from the transverse components.

## Nkrumah at 100

For García Márquez, it is women like his own mother, who are the true force of life.

## LBJ: Still Casting a Long Shadow

Happily, distant observations push back still farther the era of disk formation; I like a very old universe.

## A history of economic trouble in Argentina

If Nkrumah had lived to be a hundred what would he have made of established by George W.

## Herero and Namaqua genocide

Let freedom ring from the curvaceous slopes of California. Okaukuejo is located west of Hakali and made for a logical stop for our third night in the park.
