Renovation of Health Post Bolsters Care in Sierra Leone

I cannot end without acknowledging the commitments made by our development partners with regard to this bold venture. All reports will be investigated where necessary and appropriate actions will be taken. We have activated the Emergency contact number 117.

Routes Archive

Each Forest River RV is weighed at the manufacturing facility prior to shipping. The recovery plan was launched in April 2016 with USAID support, which involves rehabilitating more than 100 peripheral health units in five priority districts through the project. Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

My Government has not stopped at the procurement of the materials, we have also put in place arrangements to ensure that the TLMs and Core textbooks are quickly and efficiently delivered to the districts and the schools. In this regard, the Ministry of Basic and Senior Secondary Education will hold discussion with proprietors of schools in the coming school year to determine the percentage of the running cost of a school that should be covered by the proprietors.

Routes Archive

Distinguished ladies and gentlemen, some proprietors of Government-assisted schools have been having a field day. The Minister of Basic and Senior Secondary Education will provide more details. Educating our children is not politics; it is an obligation; it is our sacred duty.

Renovation of Health Post Bolsters Care in Sierra Leone

This cannot continue to happen. The Corona Virus has tested and overwhelmed the organisation, expertise, and vast resources of the healthcare systems of the richest and most advanced countries including China, America, United Kingdom, Italy, and Spain, to name a few. The Ministry of Health has issued a comprehensive advisory for the administration of quarantine for citizens, legal residents, and visitors who arrive in Sierra Leone.

Speeches

When I proposed giving every Sierra Leonean child access to free quality education, they pilloried and laughed at the idea. Avoid direct contact with persons with cold or flusymptoms; c.

Sierra

The rapid global spread of the corona virus poses great risk to human life and can cause enormous socio-economic disruption in Sierra Leone.
