The Encyclopedia of Aging: A Comprehensive Resource in Gerontology and ...

It contains the most current bibliography of an expanding literature, an exhaustive index, and extensive cross references. Ageist attitudes are perpetuated in many ways: for example, by the lack of positive images of the elderly in advertisements and on TV programs, as well as the widespread use of demeaning language about old age.

Finding Background Information & Books

This books aims to redress this imbalance, bringing together a group of leading authorities to address key issues on the subject of crime and ageing, considering older people as both victims and perpetrators of crime, and looking too at conditions faced by older prisoners. New York: Springer Pub, 2001.
