The Age of Abundance: How Prosperity Transformed America's Politics and Culture

Some groups are now convinced that their place in the polity can be made more secure by expanding the role citizenship plays in the constitutional order.

Workers' Party of Korea

Two months later, at the 3rd Plenum of the NKB, Kim Yong-bom was replaced by an event probably orchestrated by the Soviet Union.

Misrecognized materialists : social movements in Canadian constitutional politics, 1938

One major problem with the CRC and the rights of young people on the street is precisely in its existence, in that it treats all those under the age of 18 Article 1 as being children and therefore subject to special rights and special protections, separate from those of adults. The frontier had closed, and with it the old opportunities for sturdy self-sufficiency that free land and open spaces once afforded. Summary The image of the child presented by statute law in British Columbia is of a child who is dependent, particularly dependent on her parents, in need of protection, incompetent to make major decisions, gaining specific competencies as she or he grows older, but not reaching adulthood until the age of 19.

F. L. Morton

It is an undeniable fact that Muslims and Christians in India are descendents of Hindus. Hence, to get the US and Israel effectively on our side in this war on terror, we too have to commit to help them in this war, not merely by ministers paying a visit to Washington and waxing eloquent about being? The director also has the right to take immediate action if a child is unattended, has run away or is in immediate danger.

The Coalition of Progressive Electors : a case study in post

Although these movements focused clearly on issues of esteem and belonging, the notion of a postmaterialist departure from safety and security concerns offers a remarkably misleading way of understanding this focus. Briefs will be identified by their specific titles. It is believed that this constitutes a 'fair use' of any such copyrighted material as provided for in section 107 of the US Copyright Law.

OFFICIALS INVOLVED WITH GURU'S MERCY PLEA CAN'T BE NAMED: MHA

Rights are flexible instruments because nearly any objective can be plausibly brought under the rubric of 'right'. By no means was this elementary conservatism somehow peculiar to ethnocultural minorities. Or to change the metaphor, the new world we have been creating does not yet appear on the political map.
