More deaths, worse care? Inquiry opens into NHS maternity 'systemic racism'

Leigh Leigh followed in the footsteps of a long line of healthcare professionals in his family, starting his career as a cadet nurse at just 16 years old! Nurses interested in returning can find more information at. Professor Jane Sandall, who has a clinical background in nursing, midwifery and health visiting, started in the new role at NHS England and NHS Improvement this week. We all understand that the sickness protocol is designed to stop staff pictured from taking unnecessary days off.

Inaugural head of midwifery research at NHS England announced

Each morning a few of us go in to the office then phone the others at home with details of what needs to be done that day.

More deaths, worse care? Inquiry opens into NHS maternity 'systemic racism'

Sometimes pregnancies do not go to plan and you will need to offer support and advice on stillbirth, miscarriage, termination, death and abnormalities.

NHS Long Term Plan » First Chief Midwife appointed to drive world

Expanding the number of nurses, midwives, AHPs and other staff². This will centre on increasing the number of undergraduate nursing degrees, reducing attrition from training and improving retention, with the aim of improving the nursing vacancy rate to 5% by 2028. Alternatively the health service may opt to hire more nurses from overseas.
