## Foxy

He appears to be damaged, as parts of his machinery are exposed. Appearances Game Title Role Description Major character First appearance; secondary antagonist. His upper jaw muzzle is speckled on the sides with black dots, indicating beard stubble or translucent whiskers.

### Foxy (2021)

Uh, the only parts of you that would likely see the light of day again would be your eyeballs and teeth when they pop out the front of the mask, heh. RIP — olivia wilde oliviawilde You don't even see foxy ladies no more.

### Foxy (2021)

His lines also sound as if they were being played over loudspeakers, as opposed to emanating from Foxy himself. They left in the 80's. Unlike some of the aforementioned animatronics, Foxy is not entirely stripped off his costume, nor is he missing his face or any limbs.

### Foxy Definition & Meaning

Like all of the other Fazbear characters, Foxy has a set of teeth. However, when comparing his appearance and even his voice to Withered Bonnie, Withered Chica, or even his brand new counterpart Mangle, Foxy actually seems to be in better shape, since, just like Withered Freddy, the worst damage he has on him are just some huge rips.
