## The Armenian and the Armenian

Soon other plays were to follow, each usually treating a single facet of the Armenian predicament.

## William Saroyan

Belgische Radio en Televisie BRT ; Hei siellä! In Rock Wagram, Saroyan uses a newspaper office to talk about the destiny of Armenians. From Tatvan on the opposite side of the lake, where they were lodged, they headed toward Bitlis. ## William Saroyan

A little further he continues: I was not unaware that in reaching Soviet Armenia I would not be reaching my fathers Armenia, or his city, Bitlis.
