## The Corn Laws in Victorian England

I have the greatest respect for the noble Lord, but I venture to tell him that I think it is due to his own reputation, and to the party which acknowledges him for its leader, that he should distinctly state the grounds on which he advocates the imposition of a duty on the importation of corn. According to historian, the Anti-Corn Law League was a large, nationwide middle-class moral crusade with a Utopian vision; its leading advocate promised that repeal would settle four great problems simultaneously: First, it would guarantee the prosperity of the manufacturer by affording him outlets for his products.

## Social unrest in Britain 1815

Then came general distress, again, and an application for a fresh Committee. Gentlemen opposite cry 'No, no; ' but the farmers of this country will corroborate me,
