## **Tell me how long the train's been gone (1986 edition)**

Once locked out, one will never again be forced to encounter in the eyes of a stranger who loves him the impenetrable truth concerning the stranger, oneself, who is loved. In the conception of Barbara's character, in the underlying-devotion speech, Baldwin glorifies a sexual Uncle Tom. I feel Leo's written pretty inconsistently, especially with regard to his inner dialogue with his awareness as a politicized subject.

## **Tell Me How Long the Train's Been Gone by James Baldwin**

Anyway, Baldwin writes subtle characters, and astute political commentary that is not subtle but still doesn't feel heavy-handed or awkwardly inserted.

**play.fridaynightfunk.rf.gd: Tell Me How Long the Train's Been Gone (9780375701894): Baldwin, James: Books**

And though written in the late 60s, it still feels timely. You have no idea how often.

## **Tell Me How Long the Train's Been Gone**

My life, that desperately treacherous labyrinth, seemed to fall where there had been no light before.
