The collection focuses on periodicals that capture the industrial and social changes of the time period and includes women's periodicals as well as professional journals in the areas of science, trade, medicine, travel, humor, politics, and social reform. Based on the American Antiquarian Society's collection, this fully searchable database contains digitized images of broadsides printed between 1820 and 1900 and ephemera printed between 1760 and 1900. Data can be output into a variety of file formats, including PDF, xls excel, delimited text, and xml, to create maps, graphs, and charts.

A single-volume reference of essential statutes from the Delaware Code, the manual covers business, professional and non-profit corporations; partnerships; limited liability companies; and the Uniform Arbitration Act. Additionally, the NAIC and health care accreditation agencies like NCQA and URAC have developed model acts and standards for formulary development that are often incorporated into government requirements.
