## The South during reconstruction, 1865

A deep national economic depression following the led to major Democratic gains in the North, the collapse of many railroad schemes in the South, and a growing sense of frustration in the North. That the power of the Executive of the United States, acting within the limits of existing laws, is sufficient for present emergencies, is not clear.

## The South during reconstruction, 1865

Joseph Hayne Rainey June 21, 1832—August 1, 1887 was the first African American to serve in the U.

## The South during reconstruction, 1865

By the end of the 19th century and well into the 20th century, the South was locked into a system of poverty. To convict a white man of sexually assaulting Black women in this period was exceedingly difficult. Some Southerners would also take advantage of the disrupted environment and made money off various schemes, including bonds and financing for railroads.

## Library System

When the war ended, Confederate currency and bank deposits were worth zero, making the banking system a near-total loss.

## The South During Reconstruction, 1865

What was the citizenship status of the leaders of the Confederacy?. While Lincoln's last speeches showed a grand vision for Reconstruction, including the right to vote for , Johnson and the Democrats adamantly opposed any such goals. Most of the South — except for the areas of higher elevations and areas near the western, southern and some northern fringes — fall in the zone.

## Reconstruction

Charleston, South Carolina: Broad Street, 1865 Reconstruction played out against an economy in ruins.

## **The South During Reconstruction**

By 1872, President Ulysses S. By early 1865, the was worth little due to high inflation.

### **Reconstruction (1865**

Later, it focused its work on helping the freedmen adjust to their condition of freedom by setting up work opportunities and supervising labor contracts.
