## Guides

Meridian News New Science: A Quantum View of Reality ~ Dr. Physics allows for this in its laws. Goswami has written several other popular books based on his research on quantum physics and consciousness.

## Living Quantum Spirituality: The Journey to Quantum Enlightenment

In Creative Evolution, Goswami presents a resolution between Darwinism and the intelligent design of life. In his most recent book, Quantum Creativity: Think Quantum, Be Creative March 2014, Dr. This will only be visible to you.

## Admin

By denying evolution altogether, says quantum physicist Amit Goswami, intelligent design believers fly in the face of scientific data. But the idea of intelligent design does contain substance that neo-Darwinists cannot ignore. The universe is participatory via the downward causation of nonlocal consciousness.

## Creative Evolution on Apple Books

Goswami has written several books based on his research on quantum physics and consciousness: In The Visionary Window, he demonstrates how science and spirituality can be integrated. His book, The Quantum Doctor, integrated both conventional and alternative medicine. Goswami answers this with the delayed choice experiment to show that conscious selection can collapse a quantum possibility backwards in time.
