Newell Gordon

Connecting readers with great books since 1972. Missouri was accidentally grounded early on the morning of 17 January 1950. This was the first time since World War II that Missouri had fired her guns in anger, and in company with the cruiser and two , she helped prepare the way for the offensive.

Newell Gordon

Finally, take your place on the bridge of the Missouri and check out the view from the Captain's Chair! The gun is representative of those who were stationed at Fort Miles for coastal defense. Annapolis, Maryland: Naval Institute Press. She is moored beside the memorial to those lost on the USS Arizona when Japan bombed Pearl Harbor -- together the two represent the beginning and the end of the war.
