When to Sue Your Psychiatrist for Malpractice

This is 100% true every word, this is care in the community, what an utter let down not fit for purpose in any way shape or form, if I hadn't experienced the neglect of care I wouldn't of believed the state of our mental health profession, they are duty bound to give help and most if all CARE, I feel that in the near future I will be seeking a solicitor to take this matter further. Most lists of the reasons people sue for psychiatric malpractice are misleading. Family physician William Beals, M.

Jury Awards \$1.5 Million in Suicide Malpractice Suit
