50 Questions to Ask Relatives About Family History

RootsIreland offers a unique database of more than 22 million Irish records. It contains data from 34 county genealogy centres on the island of Ireland. According to The British Architect, It is stated by experts that a heavy rainfall has no effect on consumptives during treatment and therefore the Ayrshire sanatorium is to be built on a 30 acre site 825 feet above sea level at Glen Afton, a very wet district on the border of the county at a cost of £2,000. An elevation and plan of the original house, built for the Whitefords, appeared in Vitruvius Scoticus.
