Sonstiges, Cognitive Linguistics

Cohen, A 1987 The use of verbal and imagery mnemonics in second-language vocabulary learning. In Chomsky 1986b the X-bar principles are extended to include the Complement and Inflection Phrases.

Notation Systems for Transcription: An Empirical Investigation

Looked at as a matter of subject position, the SVO and SOV speakers both with initial S find all sentences equally easy; the VSO with S medial find the VSO and VOS with final S more difficult. .

Dialogicality in TV news interviews

Apache Odyssey: Approaches to autobiography, narrative and the developing self. Basic word order: Functional principles. General Issues One issue that the technique raises in explicit form is the relationship between language use, language learning, and language knowledge.

Theoretical ideals and their violation : Princess Diana and Martin Bashir in the BBC interview

The contributors address social communication within and across age cohorts in all major age categories: the elderly, middle-aged, teenagers and children. N A SVO B SOV C VSO D VOS Order for accuracy SVO 16 96.

Dialogicality in TV news interviews

The relativity of linguistic intuition: The effects of repetition on grammaticality judgements. Though the VV pattern does evidence a tendency towards structural compression, often entailing the fusion of the argument structures of two or more nuclei, yet it cannot be reduced to cases of co-lexicalization, compounding or grammaticalization. Literacy and self-concept building for the unsuccessful student.

David Singleton : Trinity Research

Cook Background to the L2 user, in Portraits Mental Dictionaries; do L2 users have one or two lexicons? Hence it will be regarded as heretical by those who refuse to take performance evidence into account; for others it may show how performance too can play its role in a UG oriented account of Second Language Acquisition, at least in the provision of other forms of data. Prep NP or: The train arrives Tuesday on.

Timed Grammaticality Judgements by Vivian Cook

Bangor Research Papers in Linguistics, 1, 1-38. Tense switching in narrative discourse of Navajo and Western Apache speakers. Deciding if a sentence is grammatical reflects a process of judgement, during which the knowledge of language plays some part, as it does in normal speech production and comprehension.

the dynamics of language

A theory of category projection and its application. Ingrid Seebus -- Narrative as snapshot: Glimpses into the past in Alzheimer's discourse.
