**Handbook of Gem Identification (with
foreword by Dean Emeritus Edward H.
Knaus): Richard T. Liddicoat Jr:
play.fridaynightfunk.rf.gd: Books**

I couldn't recommend it any higher.

9780873110068

No markings, Fine ;no dust jacket perhaps
as published. The dust jacket for hard
covers may not be included. I am a self
studier, I read all I can find online and off.

**Handbook of gem identification (Book,
1987) [play.fridaynightfunk.rf.gd]**

technical, if you slow down and read it again you will get it.

Handbook of gem identification. With a foreword by Edward H. Kraus : Liddicoat, Richard T. (Richard Thomas), 1918

. The author was president of the Gemological Institute of America.

Handbook of gem identification (Book, 1987) [play.fridaynightfunk.rf.gd]

I knew from the description that it was not another book filled with photographs of sparkling gems, but I thought that my training in material science this would be more interesting to me than it was. Of America, 1981 Detailed description of the various methods and procedures to be followed in the identification of gems: properties of gemstones, and tests and procedures of gemstones which are grouped according to color.
