It provides marketers the requisite resources, strategies and framework for generating successful and cost-efficient ads around the continuum of direct marketing, from basic letters to targeted online promotions. I think that's because I'm either focusing on a particular type of media sales letter, flyer, web page etc or thinking about a particular part of the copy like a headline or guarantee. Amongst the topics examined are: the role of the marketing department; how to acquire and keep a customer; how to achieve objectives and evaluate results; what you should sell; how to position product effectively; how to choose your agency - and how to do without one; and the Internet - the direct marketer's new tool.
