But What Went Wrong contains within it another more or less explicit work that we might call What Went Right. For this to be true, Israel needs to recognize the religious practices of Jews throughout the world.

The Theocracy in Democracy Project: An Uneasy Union

As part of the test of religious ideals, some of the contributions bring theory down to earth by examining the role of religion in three democratic states with different histories - Turkey, Indonesia, India - and also in relation to a culture of human rights.
