SMK Chung Hua, SJKC Tung Hua sedia pertahan gelaran

Bekerja menjadi guru selama beberapa saat, Park Chung-hee kemudian memutuskan untuk bergabung dengan satuan militer yang kemudian membuatnya pergi ke Manchuria dan menjadi salah satu tentara Jepang. Bagi kategori sekolah menengah, SM Tinggi Katolik menghantar jumlah kontijen terbesar dengan 34 orang perenang diikuti oleh SMK Chung Hua dengan 30 perenang, SMK Methodist 22, SMK Rosli Dhoby 16, SMK Sacred Heart 14, SMK Tung Hua 7 dan SM Wong Nai Siong 6.

How to Assess the Park Chung Hee Era and Korean Development (Korean original text available)

Most of the dissidents were hostile to Park's industrializing drive because of the repression involved, and many in the literary world additionally because of the wanton destruction of native, mostly agrarian traditions - no negligible concern, yet insufficient answer to the problem of coping with modernity or even Park's version of modernization.

Park Chung

Ikut membela Korea Selatan selama masuknya invasi dari Korea Utara, yang kemudian memicu perang saudara antar kedua Korea pada 1950, Park Chung-hee ditetapkan sebagai brigadir jenderal atas jasanya. After being tested, she halted all of her activities and immediately entered self-quarantine, taking the necessary measures instructed by health authorities.

Park Chung

Many of the people who went through that era still remain alive and active, and include both those who either took an active part in his rule or otherwise benefited from it and came to possess strong vested interests, and the victims of that rule who suffered torture, imprisonment, enforced

poverty or other deprivations of their rights, plus the families and close friends of those so persecuted or even sent to their deaths. But of course this belongs to the realm of pure conjecture.
