Junior Seau had degenerative brain disease CTE when he committed suicide, study shows

But the following year, he was sidelined for eight games with torn biceps. In his time here he set the bar for us. The NFL covered up the dangers of repeated blows to the head, the family of Junior Seau says in a lawsuit that says his suicide was the result of brain disease linked to head trauma suffered during his storied pro football career.

Junior Seau, former NFL star linebacker, found dead of apparent suicide

He started four of the 16 games he played in for the Patriots in 2007, and then started the Patriots' two games before against the.

NY Daily News

There are just no words... I will go to sleep tonight knowing that Jimi Hendrix is rippin licks on his ax, while Cliff Burton lays down a bombing baseline, dime bag Darryl plays rhythm to John bohnams sick beats..... The greatest teammate a young guy could ask for.

Junior Seau

Seau was involved in a car accident back in 2010 when he in Carlsbad, CA hours after he was arrested for allegedly attacking his girlfriend. I was visiting from the Bay Area so had no idea he would actually be there after the game.

Junior Seau's Children Settle with NFL Over 2012 Suicide

He started five of the first seven games he played in with the Dolphins in 2005, but was placed on on November 24 with an injury. RIP Buddy, and thanks for the memories.

Junior Seau had brain disease CTE

He joins a list of several dozen American football players who had CTE. May he rest in peace, and may God be with his family.

Junior Seau dead: NFL star DID have CTE brain disease from taking hits before he committed suicide

Seau returned to football just four days later, signing with the.

NY Daily News

I gotta say, I teared up a bit too. It should be seen as a disappointing end to what appeared to have been an otherwise great life. And I wish it didn't, because we loved it just as much as he did.
