## Why Study the Book of Acts?

Some things in the Book of Acts cannot be repeated. Having been a companion of Paul, he was more familiar with Paul's work than he was with the activities of other Christian leaders. Well, what was the blood for that Noahic covenant, Noah's covenant? I think this is a very, very important scripture.

## Ananias and Sapphira in the Book of Acts

So while Paul was at Corinth, recorded in Acts the 18th chapter, was when he gave them what the Lord had said about the last supper. Peter, who up till now has, stands up and addresses the crowd.

## Summary of the Book of Acts

In Caesarea, hearings were held before Felix and Agrippa, to each of whom Paul was given an opportunity to speak in his own defense. Moses had been given the first covenant for ancient Israel to have.

## Book of Acts in the Bible

them in their work.

### **What Can We Learn from the Book of Acts?**

.

#### **Acts**

Does the Spirit come upon the apostles only or upon the entire gathering, perhaps the one hundred and twenty 1:15? The disciples had watched as their Lord had ascended into heaven, and the coming of the Holy Spirit at Pentecost just as the Lord had promised proved that he was all that they had hoped and believed and was able to perform all that he had designed to do. The sight of Jesus being enveloped in the cloud is reminiscent of the Shekinah of God.
