However, he also wrote theoretical criticism for which he is lesser known, merging literary, historical, and philosophical perspectives into keen reflections on the nature of creativity, the evolution of the human species, and an impressive range of other subjects. Оскільки група людей похилого віку, група школярок і група юнаків-свавільних приїжджають, щоб зайняти корпус «ковчега», Крот змушений покинути власне творіння, його святиня розгромлена, а серце розбите жінкою-сакурою, яка відкидає його залицяння. Mary Shelley, Frankenstein; or, the Modern Prometheus London: Colburn and Bentley, 1831 120, 122.

First printing of this edition. Maybe we correct our raw perceptions using the rules of linear perspective, in the same way that we can look at railroad tracks receding into the distance without feeling that the rails are drawing together. It sounds portentous, but the seriousness is real and has its vindication in the art it underpins.
