It is also a way of living that helps you solve your problems, learn to get along with others, and find joy and peace. But just because people tout their effectiveness doesn't make them the cause of those people's cure. However, repeating something unfounded on science a million times does not make it unscientific.

#### Enthusiasm Makes the Difference by Norman Vincent Peale

Quite apart from the excellent food and quite sturning sea views, this delightful restaurant sets itself apart from others by the quality of its service. It just doesn't make any of his writings great. That is your response aspect of value.
