Cerddoriaeth Geltaidd

A phan allwn ni wneud mwy i'w cynorthwyo ac y gallwn ddylunio ein gwasanaethau cyhoeddus mewn ffordd sy'n gallu ymateb yn well i'w hanghenion, yna dyna'n union y byddwn ni'n ceisio ei wneud.

I confirm that in the circumstances she has described it would be acceptable, but we do know that there is quite a lot of learning that the system has to absorb. Ar gyfer cymhorthion clyw, mae llawer o bobl o'r farn, ar gyfer clyw a chlyw cymedrol, mewn gwirionedd, bod angen proses flitio broffesiynol ar gymhorthion clyw i ddewis, os na chânt eu dewis, nid oes gan hyd yn oed ddegau o filoedd o gymhorthion clyw filoedd o ddoleri o reidrwydd. It's still under-reported and these questions and concerns have been raised this afternoon.

Roedd yn bleser gwrando ar Dr Elin yn sôn am y bwriad i greu Uned Gemotherapi newydd bwrpasol ym Mronglais a chlywed hefyd bod y gwaith adeiladu ar fin dechrau. The technical advisory cell summary published, I think, today, suggests that the R level in Wales is above 1. Does neb am weld athrawon a phenaethiaid yn cael eu gorlethu gan waith — mae angen canolbwyntio mwy ar addysgu a llai ar weinyddu.

Llun y Dydd a Dod i adnabod....

It's care home staff who are tested on a weekly or a fortnightly basis, not residents. Mae'n amlwg i mi fod yna rywbeth catastroffig wedi mynd o'i le efo'r system brofi yn y pythefnos diwethaf; nid dim ond arafwch canlyniadau yn dod yn ôl ydy hyn. You didn't say very much about testing in schools.
