## Interaction in social life

Islam makes clear to all men that they have come from the same parents and are therefore brothers and equal as human beings. There are 11 leap years in every cycle of 30 years, the intercalated day always being added to the last day of Dhu al-Hijjah, the last month of the year. There is a great reward in making peace between people, reconciling their differences, making them friends of one another, and lessening the gulf of disagreement between them.

### The Islamic Concept of Life

Why did Thou not respite me to a near term, so that I should have given alms and been of the doers of good deeds? Nor should you treat them with harshness, that you may take away part of the dower you have given them, except where they have been guilty of open lewdness.

#### The Social System and Morality of Islam

But this does not mean that man has been made a house-hold tyrant and woman has been handed over to him as a helpless chattel. Only Muslims have the right to elect the khalifa.

#### The Social System of Islam

A Muslim and a non-Muslim neighbour are equal in this right because the Messenger of Allah s. Have mercy on them as they had nourished me when I was an infant. Although Islam places great emphasis on the marital bond, it only wants it to remain intact as long as it is founded on the sweetness of love or there exists at least the possibility of lasting companionship.

#### The Social System of Islam

It must also be noted that certain social practices in some Muslim countries are not required by Islam, but have simply evolved in the course of time as a result of indigenous cultural factors.
