Café racer

Another £30 bought a rough or ES2, which provided not only the frame but the gearbox, clutch, suspension and brakes.

The sinister Le Mans was an immediate hit when launched in 1976. The Mach 6 was rebuilt for the Grand Prix since the Mach 5 still had the defensive features from Casa Cristo which weren't allowed. From their origins on the streets of 1950s England, the cafe racer has become one of the world's most desirable and distinctive motorcycles.
