Bird Boarding

Parakeets are trainable, and this is part of the fun living with this type of bird.

Bird Care 101

. The bird can pick this up from their owners, so beware of your actions around your bird, just as you would around your children.

Bird Treatment and Learning Center

Wild animals spurn human contact and may behave aggressively toward humans if left with no choice.

8 Top Pet Birds for Training

You can buy your Parakeet in any pet store that has these small birds for sale, or you can look up Parakeet breeders. Some have senses of smell, hearing, or sight that humans can't even imagine. Habitat - Some animals require a large amount of space in which to learn to live in the wild.

Parakeet Care

With enough instruction, they can learn simple commands and to speak a few words.

Online Course: Wildlife Rehabilitation for Beginners

While I love these critters, I also understand how difficult they can be to live with. Fear of humans is a necessary survival trait for wild animals and every effort is made to minimize human contact and prevent the taming of rehabilitation patients.
