Tpals Place: Errant Thoughts Story, Part 7

While traveling all over the United States, I have learned about bigotry in action, on a daily basis.

Errant Thoughts

Hank, the old guy who does all the maintenance, is kind of crabby, but he needs help. What words do you use to paint the image of who you are? What do you want to add? How do these people do all these things: go places, have vacations in cool places or have weekend barbecues with all their friends over? Speaking to a friend the other day, I mentioned this quotation which is often incorrectly attributed to Rommel. So we may hold for an extra day in Albuquerque to wait on weather and clarification.

Errant Thoughts from a Knight Errant?

What kind of mother would I be if I held him back? The argument is promoted by apologist groups such as the Institute for Creation Research, and Answers in Genesis, the operators of the Creationism Museum and Ark Encounter in Grant County, Kentucky. Nonetheless, his reputation and skill ensured he was given command during the war, although Hitler later personally dismissed him for his opposition to national socialism

Errant Thoughts

Since 1965 it has been in the but is not currently on view. The only thing that stopped me was the cruel cost of all the lager and twiglets needed to sustain the audience for 4 months and 3 weeks. We've stretched out the tax refund as far as we could it would have gone farther if not for the plumbing troubles that still aren't fixed and something abruptly changes at Hubby's work just like last year.

In a rest area, they had posted above each sink a photo of a plateful of fried chicken. She told me she'd drive us home, so for three days, Ducky and I spent mornings with her waiting for the call from the proctors and then she drove us home. My conversational partner will say things such as I just have faith.

I 100% entered that shit knowing full well its a casino Imao, ive been lurking wsb since Sept and aware of them and their glorious tendie printing antics for ages — so im not a totally brand ooking new baby ape, just never have gotten into investing much more than learing just barely enough about crypto around 2016-2017 when it was starting to trend and boom. How can I account for down time when every other second of the day is filled with class, meetings, events, more meetings, studying, planning future events, and then another meeting? Now when I look at the clock I can watch an hour pass and have nothing to show for it.

Poetry, Essays, and Errant Thoughts

The Coach-House at Saasveld, Cape Town With all of Suburbia working from impromptu home offices set up in their garages during Covidtide — presumably clinging to their space heaters at this time of year — the subject of the residential garage came up in conversation.
