History states that the role of the Pasi and other untouchable communities in the has been understated by earlier historians. Lentils, beans and vegetables are also eaten.

ABOUT US

The scheduling policy varied from state to state. The states falling within each of these macro regions have been grouped together and the six first ranking castes of each state have been listed. Hence, both BSP Dalit base and SP OBC base are trying to woo other castes through ticket distribution.

Yaday, Lodh, Kurmi and Jat come under BCs and constitute around 18% of the population, while all MBCs make up around 16. Among other things, the demand charter included the refusal to pay more than the recorded rent, receipts for the rents paid, refusal to do begari and pay nazrana etc. This led to their agglomeration in the cities associated with these industries.

Distribution of Scheduled Castes by District in Uttar Pradesh

However, it may be even more important to examine the spatial patterns in the distribution of specific communities among the scheduled castes.
