The meaning behind the Great Seal of the United States that is found on the back of the one dollar bill is also explained. The Atlantis story continues to the later decision of the kings to use their united power to enslave all the peoples of the Earth, and the consequent destruction of Atlantis by earthquake and fire.

The destiny of America

With America's dense forests, desert grasslands, and hundreds of miles of uninhabitable wilderness, no country could house - or hide - so many mysterious creatures. In Freemasonry is concealed a mystery of creation, the answer to the problem of existence, and the path the student must tread in order to join those who are really the living powers behind the thrones of modern national and international affairs. It is in this way that the story of the lost Atlantis came finally to be incorporated in the Platonic dialogues as part of a conversation between the younger Critias and his master Socrates.
