Four Heartlanders Recall the Cold War

However, by overlooking how regimes strategically used offshore vehicles, bank accounts, and financial intermediaries, the West has ignored its own complicity in fostering the global networks that supported autocracies in Central Asia and around the former Soviet world.

A New Soviet Heartland? An original article from the Geographical Journal, 1962.

Casualties were initially high as Soviet machine guns swept the field, but the Germans pressed on, taking forward enemy positions and reaching the outskirts of Nemmersdorff. The seat of German militarism was no more. Socialism had not begun on a good note, and Vladimir Lenin was becoming concerned with the unfortunate state of the economy.
