An Open letter to my Betus

! He was a man of his words, one of his many wonderful qualities that he had. Always remember He loves you both, more than I can ever put into words and He always wants the best for us.

An Open letter to my Betus

promise I will listen and try to be more mindful in the future.

Baalmaifal Hitshatru article by Meghna Joshi

Awwab, you loved the palak paneer there. One thing I learned about both of you was that you guys were very strong and patient.

An Open letter to my Betus

And even though you were too young to console me, I knew you guys made sure I was ok. 

I knew you guys were also hurting, I remember the nights when we used to cry

He loved you and Sarim very much and always made sure to do everything that made you both happy, especially you.
