So in summary, the only one I see benefiting in this entire equation is the large corporations in tax savings. Although this legislation only specifically forbids the USPS from deliveries, it included the and extravagant fees now required for all shipments.

#### **Biden Tax Plan: Details & Analysis**

Property taxes were a relatively equitable and reliable tax system, as those with more property paid more taxes and many Washington residents owned property because of the significant number of farms. Others are pushing for raising the 21% rate to 28%. The IRS on May 4, 2020, released Rev.
