Macintosh Port Available Tuesday, November 21, 2000 has ported Tux Racer to the Mac! We offer countless products for each manufacturer ranging from the latest model releases to popular models released throughout history. Under Linux, we recommend compiling Tux Racer from source.

Ultimate Racer

Monday, October 29, 2001 We've hit a big milestone: Tux Racer 0. Using SDL gives better fullscreen rendering support under both Linux and Windows. Please use our page to email questions about this website or other questions regarding products.
