Mechanisms of heteroepitaxial growth - symposium held April 27-30, 1992, San Francisco, California, U.S.A.

Materials Research Society - Never before published paper on UHI and siting

Description: -

-

Georgian S.S.R. -- History -- Sources -- Study and teaching -- Periodicals.

Crystal growth -- Congresses.

Surfaces (Technology) -- Congresses.

Surfaces (Physics) -- Congresses.

Molecular beam epitaxy -- Congresses.Mechanisms of heteroepitaxial growth - symposium held April 27-30, 1992, San Francisco, California, U.S.A.

-

v. 263.

Materials Research Society symposia proceedings ;

v. 263

Materials Research Society symposium proceedings ;Mechanisms of heteroepitaxial growth - symposium held April 27-30, 1992, San Francisco, California, U.S.A.

Notes: Includes bibliographical references and indexes.

This edition was published in 1992
