It goes into great depth for important topics and it also covers a wide variety of topics.

Judicial process in America : Carp, Robert A., 1943

Supreme Court For the first time in the history of the United States, the Supreme Court has recognized the unconstitutional act of the Parliament, creating a precedent for future similar decisions. Then, the case is brought to trial and decided by a jury. Instructors can find teaching materials, including hypothetical cases paired with discussion questions and writing assignments, moot-court simulations, test banks, and more.
