**12 Things Dogs Don't Like That You Are Probably Doing!**

Don't make the mistake of thinking that light-shedding dogs don't require grooming or are necessarily low maintenance and budget friendly. Urinating If your dog is house trained, it may come as a surprise if you see him urinating in your home. Shutterstock Remember, a dog that doesn't like you might actually just be kind of scared of you — and this fear can manifest itself in physical ways.

**12 Dog Behaviors & What They Mean**

Minutes before her sister passed away she tried her best to get near us. Your dog likes sleeping with you at night. Shortly after he did his spell, my boyfriend started texting me again and felt horrible for what he just put me through.

**Do Dogs Have a Musical Sense?**

Another good thing about this unique coat? If is a chronic issue for your dog, you'll both need to learn how to create a relaxing environment when you leave the house.

**What To Do If Your Dog Won't Pee**

In fact, they can see many of the same colors humans can.

**Dogs That Don't Shed**

Their soft, curly, almost wool-like fur sheds minimally and doesn't produce as much dander - it's kind of similar to a poodle.

**Do Dogs Go to Heaven? Truths from the Bible**

The first dog got nothing and yet was usually happy to pull the lever all the same—provided the dog on the other side was a playmate.
