An employee who becomes aware of the need to disqualify himself from participation in a particular matter involving specific parties to which he has been assigned should notify the person responsible for his assignment. In the event the rehabilita- tion counselor is unable to determine whether a client will vocationally benefit if provided rehabilitation services, he may authorize an extended period, not to exceed 18 months, in which to evaluate the person's rehabilitation poten- tial and to determine eligibility or ineUgibiiity for services. Chapter 2 traces the historical de- velopment of rehabilitation — including legislation, public agencies, and pri- vate resources.
